

# 2<sup>ND</sup> ANNUAL BLOCK KIDS COMPETITION

## FEBRUARY 2013

The 2nd annual Block Kids Competition, sponsored by VOS CPAs, was a huge success! We had 28 very excited participants who had a fun morning. After they registered and received their event t-shirt, the kids had an opportunity to enjoy a breakfast donated by McDonald's on White Bluff. After everyone arrived, the kids were treated to a skit about the construction project process lead by Anne Smith of Lominack Kolman Smith Architects and Dawn Morgan of Collins Construction. Then the building fun began! While our judges, led by Anne Smith, deliberated the options, the participants enjoyed a presentation by Joe Rooker from Eastern Excavating Co., Inc. and had an opportunity to pretend they were the operators of the excavator her brought to "show 'n tell". Our winner was Jimeraquan Mitchell, a 3rd grader at Hodge Elementary. Thank you to all of our volunteers and sponsors that helped make Block Kids a success!
